

Ready for College. Ready for Life.

Tech Prep

What is Tech Prep?

Tech Prep gives you a head start in college!

- College Credit for High School Classes

Your transition into college is smooth!

- Two Years High School + Two Years College

Plus! Four year college options through partnerships with other Ohio universities!

How do I get into Tech Prep?

- Talk with your parents or guardian about career interest
- See your school counselor
- Choose a Career Pathway at your high school or career center

What's in it for ME?

- You save tuition \$ because you earn FREE College credit while in high school!
- Scholarships Available!
- Combine career training with College Prep Academics!

There is a Tech Prep Career Pathway for every interest:

- Agricultural & Environmental Systems
- Business & Administrative Services
- Construction Technologies
- Education & Training
- Engineering & Science Technologies
- Health Science
- Hospitality & Tourism
- Human Services
- Information Technologies
- Manufacturing Technologies
- Marketing Technologies
- Transportation Systems
